Dear Chief Arbour:

This is in response to your correspondence of July 4, 2017, requesting a meeting with the Honourable Carolyn Bennett to discuss matters of interest to the Kana:tso First Nation.

Unfortunately, the Minister is unable to meet with you at this time. You may wish to follow up with Mr. Sean Darcy, Manager, Claims Assessment and Treaty Mechanisms Directorate, who would be pleased to meet with you on behalf of the Department. Mr. Derby can be reached at 819-997-8155.

Thank you for taking the time to write.

Sincerely,

 Sally Thorpe
Corporate Secretary
